2700	330	380	330	150	3100	4100
3000	330	380	330	150	3400	4100

#### Clearances

Door height	Head room	Head room with Auto*	Side room	Back room	Back room with Auto
2210	170	220	150	2710	3200
2400	170	220	150	2900	3500
2700	200	250	180	3300	4100
3000	200	250	180	3600	4100

**\*Notes:**

1. Headroom with automatic operators allows for the use of domestic operators – more headroom may be required in heavy duty or commercial applications
2. Headroom with QC (Quick Closers) includes clearance for a domestic operator – Quick Closers are not recommended on manual doors.
